Welcome to our 2022 brochure celebrating our 30th anniversary, which is our largest brochure ever with even more exciting tours to choose from. The green cover page pays homage to our Irish roots which started back in 1992 when we sold only tours to the wonderful island of Ireland. From the early days, we were known for being the leading tour wholesaler in creating quality packages to Ireland, and this product quality has developed and expanded over the years to include excellent packages throughout the UK, the Isle of Man and Europe as well.

Our team has a combined experience of over 150 years in the travel industry, reflecting the company's extensive knowledge on group travel. We have established a very strong reputation for providing an efficient, personal and friendly service with a wealth of knowledge and understanding of the Coach Travel industry. Working closely with all our suppliers and carrying out regular inspections means we know our products inside out. Our high level of repeat custom is testament to our many satisfied clients and we are small enough to care, but big enough to manage!

It goes without saying what a terrible year the last twelve months have been and we want to take this opportunity to thank all our customers and suppliers for your continued support and loyalty during this difficult time. Hopefully, with the roll out of the vaccines, we can now see light at the end of the tunnel and again look forward to doing what we all do best, operating holidays.

We sincerely hope you enjoy looking through our brochure and we hope you will find something of interest, but if you are looking for something or somewhere a little different, please do get in touch as our team has a wealth of expertise in creating bespoke tours, so give us a call and experience the difference!
